Assistant Commissioner
Bureau of Health Services

POLICY

All requests for form reprints must be approved by the Bureau Office each time the form is reprinted.

APPLICABILITY

This policy applies to Regional and Central Office personnel.

PURPOSE

To ensure the continued appropriateness and necessity of all public health forms and to assure the availability of funds to cover the cost of reprinting.

PROCEDURE

To have a form reprinted, submit an original of the form to be reprinted and a completed **Printing Requisition, GS-0132**, to the Bureau Office designee. It is important to complete the front of the **GS-0132** in its entirety. The Bureau Office will assess the need for reprints, and if approved, will forward the material to the Forms Officer of the Department of Health for final approval. The Forms Officer will be responsible for submitting the form to printing.
