

Initial Infant (Birth up to 1 year) Full Questions

ENVIRONMENT/ SAFETY

Car seat?	Do you have a child car seat?
How often ride in car seat?	When your child rides in a car, truck, or van, how often does he or she ride in an infant seat?
Sleep position?	How do you most often lay your baby down to sleep?
Co-sleeping?	How often does your baby sleep in the same bed with you or anyone else?
Pillows/ toys?	Does your baby usually sleep with any pillows or stuffed toys?

HEALTH:

Type of Delivery	How was your baby delivered?
NICU Stay?	After your baby was born, was he or she put in an intensive care unit?
Newborn Hearing Screen?	Before your baby was discharged from the hospital, did your baby have a hearing screening test?
If Yes: Passed?	When someone told you what the test said about your new baby's hearing, what did they tell you?
Newborn Genetics Screen?	Before your baby was discharged from the hospital, did your baby have a screening test for rare metabolic diseases called the Tennessee Newborn Screen or Blood spot screen? (A few drops of blood taken from your baby's heel)
If Yes: Follow Up Required?	When someone told you what the Tennessee Newborn Screen (Blood Spot Screen) said about your new baby, what did they tell you?
Well-baby check-up?	Has your new baby had a well-baby checkup? (A well-baby checkup is a regular health visit for your baby usually at 2, 4, and 6 months of age)
Medical Home Identified (Infant)?	Do you have a doctor that you can get in contact with 24 hours a day, 7 days a week, who will take care of your baby for both sick and "well-baby" care? (Include after-hours paging service or other ways to reach your doctor after hours)
